Guilford Art Center  
Good Humor  
ICE CREAM

**EXPLORE! IMAGINE! CREATE!**

**WE ALL SCREAM FOR ICE CREAM!** Every Friday, after lunch and the morning program, Carolyn Chimbolo of Kit Kat's Ice Cream, will bring her 1969 Good Humor Ice Cream truck to the Center. Morning students are welcome to savor a free ice cream treat. We hope you will enjoy this cool and refreshing ending to a great week of making art! (Parents: Please let us if know if you DO NOT want your child/children to have a free ice cream treat on Friday.)

# SummerArt 2010 Morning Classes

FOR AGES 3-1/2 TO 13

### Theatre4Kids!

Mon-Fri, June 21 - June 25, 9:00am-1:00pm

Curtain up on a week of theatre for kids, backstage and front! Construct set designs, create costumes, make masks and puppets—learn all about the visual elements that make the stage come alive. The class will develop a play and finish the week with a performance and, of course, a cast party! Guest Artist: Spring Valley Puppet Theatre.

Tuition \$195.00, Members \$175.50

### There's Food in My Art!

Mon-Fri, June 28 - July 2, 9:00am-1:00pm

Create works of art using edibles as inspiration! See how an Italian artist from the 1500's painted fruit and vegetable portraits, to an American painter who became famous painting cakes and pastries. Make food-art and have fun designing food advertisements and labels. Please don't eat your masterpiece! Guest Artist: Yale Art Gallery docent John Bett.

Tuition \$195.00, Members \$175.50

### Stop and Van Gogh

Tue-Fri, July 6 - July 9, 9:00am-1:00pm

Have fun learning how to use the techniques of great artists. Explore the art of Piet Mondrian, Georgia O'Keefe, Wassily Kandinsky and Vincent Van Gogh. Create your own masterpieces and take them home! No class July 5. Guest Artist: GAC faculty member Amy Peters.

Tuition \$156.00, Members \$140.40

### ClayWorks: A Week of Clay

Mon-Fri, July 12 - July 16, 9:00am-1:00pm

Smooth, squish, poke, flatten and roll! Spend the week working with clay and get your hands on this natural material which starts out mushy and ends up breakable! Greek story vases, Indian pinch pots, Chinese dragons and a Hopi kiva are some of the projects we'll create throughout the week. Guest Artist: GAC faculty member Alice Chittenden.

Tuition \$195.00, Members \$175.50

### Take 5!

Mon-Fri, July 19 - July 23, 9:00am-1:00pm

Five days, five kinds of art! Each day explore the unique aspects of a different art medium. Discover and learn about the fundamentals and techniques of drawing, painting, clay, fiber, and printmaking. A fun way to sample different art each day! Guest Artist: GAC faculty member Melanie Goss.

Tuition \$195.00, Members \$175.50

### Favorite Flicks!

Mon-Fri, July 26 - July 30, 9:00am-1:00pm

Grab some popcorn and candy as we view some of our favorite films and characters. Art projects will focus on *Willie Wonka*, *Pirates of the Caribbean*, *Star Wars*, *Harry Potter*, *Where the Wild Things Are*, *Up!*, *Fantastic Mr. Fox*, and more! Guest Artist: documentary filmmaker Sarah Friedland.

Tuition \$195.00, Members \$175.50

### Who Thought of That?

Mon-Fri, August 2 - August 6, 9:00am-1:00pm

Who invented blue jeans? Silly Putty? How did they think of those ideas? Inventors come up with a new solution when they look at a problem in a new way. Get creative, invent solutions, illustrate and make models of your inventions. Ready! Set! Invent! Guest Artist: CT Invents Program Director Patrick Smith.

Tuition \$195.00, Members \$175.50

### By the Beautiful Sea

Mon-Fri, August 9 - August 13, 9:00am-1:00pm

Spend every day at our "beach!" Explore the beauty and wonder of the ocean and shoreline. Using both as our inspiration, we will create seascapes, fish prints, a clay lighthouse, a wooden sail boat, maritime votive candles and more. Guest Artist: Hammonasset Beach Park, Nature Center Director Ranger Russ.

Tuition \$195.00, Members \$175.50

### Let the Games Begin!

Mon-Fri, August 16 - August 20, 9:00am-1:00pm

Once every four years, the ancient Greeks came to compete in a great athletic festival. Join the competition by making an ancient Greek wreath and Olympic torch. Design a new medal, an Olympic mascot and t-shirt. Create a challenge course to play at the end of the week to celebrate your victory!

Tuition \$195.00, Members \$175.50

## SummerArt 2010 YOUTH PROGRAM June 21 - August 20 FOR AGES 3-1/2 TO 13

SummerArt is an innovative nine-week visual art enrichment program that develops creative expression and artistic skills through hands-on activities. Guest artists add an exciting perspective to the morning program.

- Registration is open to ages 3-1/2 to 13. Art activities are age appropriate.
- OPTIONS: For a full-day program, morning program may be combined with an afternoon class.
- Supervised Care: Morning 8:30am - 9:00am (All Ages), Afternoon 4:30pm - 5:00pm (7-13 Only)
- Additional material fees, if applicable, will be indicated next to each class description and is payable with tuition.
- Workshops are held in air-conditioned studios.
- CANCELLATION POLICY: A full refund may be received up to May 3, 2010. A full refund less a \$25 processing fee may be received for refunds requested up to 2 weeks before class starting date. Tuition credit less a \$25 processing fee may be received for cancellations requested less than 2 weeks before the class starting date.

# SummerArt 2010 Afternoon Classes

## AFTERNOON CLASSES FOR AGES 3-1/2 TO 6

### Kings, Queens & Castles

CLAUDIA MATHISON

Mon-Fri, June 21-25, 1:30-3:30pm

Create a castle, crowns, jeweled treasure boxes and more! Wood, tubes, foil, gem stones, and tiles will be added to your constructions. Stories about Medieval times.

Tuition \$115.00, Members \$103.50

### Exploring Outer Space

CLAUDIA MATHISON

Mon-Fri, June 28-July 2, 1:30-3:30pm

Create a spaceship, outer space paintings and a space station. Stories about outer space and planets. Enjoy an end-of-class party with cookies and ice cream. Fee payable with tuition \$5.00.

Tuition \$115.00, Members \$103.50

### Painting & Drawing

DOLORES MARCHESE

Tue-Fri, July 6-9, 1:30-3:30pm

Learn to draw and paint from your imagination and nature. Color mixing and media techniques will be taught with an emphasis on personal expression. Some classes held outside. No class July 5.

Tuition \$92.00, Members \$82.80

### Pirate Adventures

CHRISTOPHER UMINGA

Mon-Fri, July 12-16, 1:30-3:30pm

Create different crafts based on pirates: treasure maps, telescopes, pirate hats. Develop drawing, coloring, and cutting skills as we learn about these colorful characters and their seafaring adventures.

Tuition \$115.00, Members \$103.50

### Magical Nature

Fairy Crafts

CLAUDIA MATHISON

Mon-Fri, July 19-23, 1:30-3:30pm

Spend a fanciful week designing and decorating all things about Fairies! Incorporating natural items collected on the grounds of GAC, the class will create a magical clay fairy house, fairy puppet, colorful wands and floral crowns. Flower pressing, map making and simple flower identification will also be included. The class will go on nature walks. A special Fairy picnic with edible necklaces, butterflies and toad stools will be enjoyed on the last day of class.

Tuition \$115.00, Members \$103.50

### Let's Recycle!

SALLY LEVY

Mon-Fri, July 26-30, 1:30-3:30pm

Create fun and functional recycled works of art: chalkboard creatures, sock puppets, magic crystallized trees, jewelry or anything in your imagination, and a cool, funky sculpture made with string and polystyrene board! Recycling can be so much fun, it may be contagious!

Tuition \$115.00, Members \$103.50

### Sandcastles/Exploring Beach Materials

MELANIE ROOD GOSS

Mon-Fri, August 2-6, 1:30-3:30pm

What do you find at the beach? Students will make permanent sandcastles with flags, towers and anything else their imaginations can dream up. Another afternoon will be spent creating a shell frame and experimenting with watercolors. Using colored sands children will also explore the art of mandalas or sand paintings as a means of expression and healing. There are no limits to what can be made this week!

Tuition \$115.00, Members \$103.50

### Buggy For Art

RENEE SOARES

Mon-Fri, August 9-13, 1:30-3:30pm

Put on your antennae and get ready to explore the world of insects through mixed media hands-on art projects and storytelling. We'll create a bumblebee plant stake, ladybug board game, flowerpot note holder, pompom caterpillar, giant paper butterfly, and a funny bug jar to catch the fireflies in your backyard. Come learn about some of nature's most beautiful and intriguing creations which have colorful stories to tell.

Tuition \$115.00, Members \$103.50

### Water Creatures

BETSY CHICHESTER

Mon-Fri, August 16-20, 1:30-3:30pm

After our story, children will delight in making their own fish, frogs, turtles, snails, alligators and other creatures found around our ponds and oceans. We will make our creations with self hardening clay. Then we will have fun painting our critters in bright acrylic paints. Bring a smock or wear old clothes.

Tuition \$115.00, Members \$103.50

## AFTERNOON CLASSES FOR AGES 7 TO 13

### Clay Creations

For The Garden

BETSY CHICHESTER

Mon-Fri, June 21-25, 1:30-4:30pm

Using terracotta clay, develop coil, slab, and pinch hand building techniques. Create sun faces, wall pockets, animal sculptures, bird feeders, flowerpots, using nature for inspiration.

Tuition \$184.00, Members \$165.60

### Symbols In Art

RENEE SOARES

Mon-Fri, June 21-25, 1:30-4:30pm

View the world through the symbols in art of various cultures. Create painted wall panels using West African symbols, clay art tiles designed like Mexican Talavera pottery, beaded chopstick frames with Japanese characters, and a boomerang using symbols from Aboriginal dot painting.

Tuition \$184.00, Members \$165.60

### Fashion Week

BETH BAUMGARTEL

Mon-Fri, June 21-25, 1:30-4:30pm

For ages 12+. Spend a week designing and making a simple garment and then model in a mini fashion show. Learn to sketch ideas, and turn one into a garment. End with a fashion show, showcasing your creativity.

Tuition \$184.00, Members \$165.60

### Robo Buddy-Robots

DAVID FERREIRA

Mon-Fri, June 21-25, 1:30-4:30pm

Experience the excitement of creating your own robot friend. Build a robot using found and everyday objects. If time permits, we will make a robo pet, too.

Tuition \$184.00, Members \$165.60

### Clay 4 All Seasons

KATHLEEN RUDE

Mon-Fri, June 28-July 2, 1:30-4:30pm

Create seasonal environmental sculptures in clay. Explore landscape, cityscape and dreamscape. Learn to design, carve, model, and paint using a self-hardening clay.

Tuition \$184.00, Members \$165.60

### Young People's Glass

SUSAN HACKETT

Mon-Fri, June 28-July 2, 1:30-4:30pm

For ages 9+. Combine glass with copper, silver and gold, work with millefiori from Murano, use "space age" dichroic glass! Make your own slumping mold for a plate, bowl or vase. Everyone can make a large project that will be fired in the instructor's studio. Fee payable with tuition \$75.00

Tuition \$184.00, Members \$165.60

### Jewelry & Accessory Making

ALICE CHITTENDEN

Mon-Fri, June 28-July 2, 1:30-4:30pm

Explore a variety of personal adornments. Make small bags, hair ornaments, and anklets, as well as traditional necklaces, bracelets, pins, and earrings. Materials will include beads, wire, fabric, leather cord, clay, and more. Join us for some fun while learning jewelry techniques and creating unique pieces for yourself and others.

Tuition \$184.00, Members \$165.60

### Comics

CHRISTOPHER UMINGA

Mon-Fri, June 28-July 2, 1:30-4:30pm

Learn basic drawing techniques and elements of storytelling as we create a mini comic by week's end. Write, draw and ink your very own mini comic. Learn some basics of comic book drawing.

Tuition \$184.00, Members \$165.60

### Mythical Creatures In Clay

BETSY CHICHESTER

Tue-Fri, July 6-9, 1:30-4:30pm

Learn hand building techniques to design mythical creatures using self-hardening clay, paint and a variety of natural materials. We will read or create stories about our creations. No class July 5.

Tuition \$147.00, Members \$132.30

### The Best Of Mel

MELANIE ROOD GOSS

Tue-Fri, July 6-9, 1:30-4:30pm

There are quite a few projects I LOVE to teach—so what will we create? Sand sculptures, castles and dragons, watercolor series, tissue lanterns and dragons, wood sculpture, tie dye? \*bring a t-shirt, pillow case, or socks for the dyeing day! No class July 5.

Tuition \$147.00, Members \$132.30

### Painting & Pastels

ALICE CHITTENDEN

Tue-Fri, July 6-9, 1:30-4:30pm

Use a variety of media (watercolors, acrylics, tempera, oil and chalk pastels). Review color mixing, the color wheel, and how to use the materials. Class demonstrations and discussions. Open to novice and intermediate students. No class July 5.

Tuition \$147.00, Members \$132.30

### Pottery On The Wheel

ALICE CHITTENDEN

SESSION A: Mon-Wed, July 12-14 & Tue-Wed, July 20-21, 1:30-4:30pm

SESSION B: Thu-Fri, July 15-16 & Mon, Thu, Fri, July 19, 22, 23, 1:30-4:30pm

Have you ever wanted to make a pot on the potter's wheel? First 3 classes for demonstration, instruction, and student time on the wheel. The time in between 3rd and 4th class allows work to dry and be fired. Last 2 classes cover glazing techniques. Bring a smock or wear old clothes.

Tuition \$184.00, Members \$165.60

### Outdoor Art

MELANIE ROOD GOSS

Mon-Fri, July 12-16, 1:30-4:30pm

What natural objects can be used to create art? Weather permitting, we will also work in paint and pastel 'en plein aire.' Explore rock painting, wood/twig sculpture, simple print making & batik, in addition to sharpening painting and drawing skills.

Tuition \$184.00, Members \$165.60

### Sewing Sensations

CLAUDIA MATHISON

Mon-Fri, July 12-16, 1:30-4:30pm

For ages 8+. Learn how a sewing machine works, master threading the machine and simple sewing skills, hand-sewing and embroidery techniques. Sew a purse, pillow, stuffed animal. Machines provided by GAC. For beginning and advanced sewers.

Tuition \$184.00, Members \$165.60

### Printmaking Studio

DAVID FERREIRA

Mon-Fri, July 12-16, 1:30-4:30pm

Explore the unique world of printing on paper. Learn etching, woodcut and mono-print techniques.

Tuition \$184.00, Members \$165.60

### Woodworking: Putting The

Fun Back Into Functional

SALLY LEVY

Mon-Fri, July 19-23, 1:30-4:30pm

Learn to use hand tools such as saws, hammers, buffers, and nails. Design your own piece of wooden art. Use found objects, barn wood, and imagination!

Tuition \$184.00, Members \$165.60

### Beat The Blahs

With Assemblage!

CHEILAUGH GARVEY

Mon-Fri, July 19-23, 1:30-4:30pm

Learn about artists who braved new territory with three-dimensional collage! Explore the works of modern artists Marcel Duchamp, Kurt Schwitters, Jean DuBuffet and the world of the Dadaists, who put together unlikely materials to make their surprising art.

Tuition \$184.00, Members \$165.60

### Chris's Top Hits

CHRISTOPHER UMINGA

Mon-Fri, July 19-23, 1:30-4:30pm

Create some of my favorite projects! Build a robot out of household objects, piece together a bizarre house from cardboard. Make brooms like Harry Potter's, build a catapult and create creepy/spooky masks from papier mache!

Tuition \$184.00, Members \$165.60

### Hand Building With Clay

ALICE CHITTENDEN

Mon-Fri, July 26-30, 1:30-4:30pm

Hand building techniques of coil, pinch, and slab allow us to create cups and plates, animals, masks and more. For new and experienced students. A new project (or 2) taught each day, using engobes, the extruder, the slab roller, paddles, stamps, and other clay tools. Free time to pursue your own ideas.

Tuition \$184.00, Members \$165.60

### Video Game Design

DAVID FERREIRA

Mon-Fri, July 26-30, 1:30-4:30pm

Create characters, environments and the basic functions of your game. Study classic and modern video games and what makes them tick. A fun exploration of the creative world of video game development awaits you.

Tuition \$184.00, Members \$165.60

### Beginning Digital

Photography

CHEILAUGH GARVEY

Mon-Fri, July 26-30, 1:30-4:30pm

Fine tune your observational skills and capture moments of your life while learning how to better use your camera. Learn about amazing "old-school" photographers, compositions, portraiture, landscapes, and more. Must have a basic digital camera, SLR not necessary. Be sure battery(ies) are fully charged at each class. A disc of your photos provided at the end of course.

Tuition \$184.00, Members \$165.60

### The Art Of Star Wars

CHRISTOPHER UMINGA

Mon-Fri, July 26-30, 1:30-4:30pm

Create projects based on the *Star Wars* movies. Build your own light saber, space ships, and even R2-D2s, Yoda puppets. These are just some of the fun and challenging projects we'll tackle as we bring down the evil empire. Each day will feature a different project, which will be completed and brought home at the end of the week.

Tuition \$184.00, Members \$165.60

### Cultural Clay

ROSALIE ROUILLARD

Mon-Fri, August 2-6, 1:30-4:30pm

Have fun with the wonderful medium of clay! Ancient people used clay for many things such as building their houses, making pots and dishes, tiles, and containers. Their clay objects often defined who they were. Varied and exciting projects in hand building include an Aztec Sun God, Amazon rain forest animals, African masks and more!

Tuition \$184.00, Members \$165.60

### American Girl Crafts &

Cooking "All New Projects"

CLAUDIA MATHISON

Mon-Fri, August 2-6, 1:30-4:30pm

A week of crafts, sewing, cooking and stories. Sew Felicity's doll, Kirsten's apron, Rebecca Rubin's shawl, Molly's crown with simple hand sewing and embroidery. Be creative in the kitchen, making delicious jam and yummy cookies. Have a traditional tea party. Fee payable with tuition \$5.00.

Tuition \$184.00, Members \$165.60

### Superhero Design

DAVID FERREIRA

Mon-Fri, August 2-6, 1:30-4:30pm

Do you love comic books heroes—Batman, Spider-man and Superman? Create your own Superhero and super villain, learn several drawing techniques, and interesting powers and personalities for your heroes.

Tuition \$184.00, Members \$165.60

### Life In Clay

DOLORES MARCHESE

Mon-Fri, August 9-13, 1:30-4:30pm

Learn the basics of building pots and sculptures from clay. Turn pots and coils into animals and people, paint them and more!

Tuition \$184.00, Members \$165.60

### Go Green/Recycled Chic

CLAUDIA MATHISON

Mon-Fri, August 9-13, 1:30-4:30pm

Create tie-dyed tee shirts, leaf printed tote bags, a purse made from recycled foil pouches and more! Using paint, dye, recycled materials, buttons and bottle caps turn ordinary fabrics into works of art. Learn how to recycle in fun and creative ways.

Tuition \$184.00, Members \$165.60

### Inside Out Painting

DAVID FERREIRA

Mon-Fri, August 9-13, 1:30-4:30pm

Learn painting and drawing from a new perspective by painting shapes and forms and breaking down what you see in nature. Do a series of exploratory drawings and paintings using deconstructive techniques. A fun introduction to the world of painting.

Tuition \$184.00, Members \$165.60

### Experiencing Clay

By Hand & Wheel

SABINE HARRIS

Mon-Fri, August 16-20, 1:30-4:30pm

Ever wondered how a bowl is made on the potter's wheel? Or how to make a tile picture or scary mask? Work on the wheel, learn hand building techniques and painting with engobes. Bring an old t-shirt to wear.

Tuition \$184.00, Members \$165.60

### Amazing Pinhole Photography

CLAUDIA MATHISON

Mon-Fri, August 16-20, 1:30-4:30pm

Take one oatmeal box and photographic paper and you have a camera! Learn to shoot photographs, develop prints and build your own simple box camera. Learn how a camera works and basic photographic techniques.

Tuition \$184.00, Members \$165.60

### I Love A Parade!

CHEILAUGH GARVEY

Mon-Fri, August 16-20, 1:30-4:30pm

Learn about parade and festival arts and prepare costumes for marching with Guilford Art Center in the Guilford Citizen's Day Parade on September 18. Make and learn about masks, make up, costumes. Students and parents are invited to march with GAC in the parade.

Tuition \$184.00, Members \$165.60

Register online @ [guilfordartcenter.org](http://guilfordartcenter.org) or call: [203] 453-5947
