

Guilford Art Center

The Guilford Art Center is a non-profit organization established to nurture and support excellence in the arts through education, communication, and outreach. We work to preserve craft traditions and foster innovation by providing opportunities for individuals to experience and appreciate the arts and the creative process.

THE SCHOOL

The School offers classes and workshops at all levels, for adults and children: Blacksmithing, Ceramics, Drawing, Fiber and Weaving, Glass, Jewelry and Metal Work, Painting, Printmaking, Photography, and more. In addition to weekly classes, we conduct weekend workshops with visiting artists for more intensive study in specific art areas.

THE SHOP

The Shop carries a broad selection of one-of-a-kind handmade items: jewelry, ceramics, glass, metal, basketry, wearable and decorative fiber, paper goods and cards, and wood products. In November and December, the Shop expands into the Gallery with ARTISTRY, a holiday sale of fine crafts representing the work of over 350 artists from around the country.

THE GALLERY

The Mill Gallery features work by both emerging and established artists. Our Gallery presents biennial ceramics and glass exhibitions as well as other media-specific shows. All exhibits are free, open to the public, and often have items available for sale. Ours is the largest gallery space between Branford and Old Lyme.

FINE CRAFT EXPO

Every July, the Center sponsors EXPO, Connecticut's largest outdoor juried craft show. Representing artists from throughout the country, EXPO attracts over 16,000 visitors.
